

Saturday April 30, 2022

The University of Toronto is pleased to be hosting the Canadian Society for Pelvic Medicine 2022 Annual Meeting.

Our meeting is taking place in the Loft on the 8th floor of Simpson Tower in downtown Toronto with delicious catering provided by Oliver & Bonacini. There will be plenty of time to network and catch up with colleagues from across the country. If appropriate (and allowed!), we conclude the program with a Wine & Cheese Reception (cost is included with your registration fee).

We look forward to seeing everyone in April 2022!
